

Attorney Docket SPC 0397 PA  
Serial No. 10/051,793

REMARKS

The amendment to the specification above adds a space between the reference number for the capacitor "154" and the word "is". This change is provided for contextual purposes, to correct an obvious clerical mistake. As such, no new matter has been added. Further, claims 2, 3, 4, 5, 6 and 21 have been amended herein. Also, new claims 26-33 have been added. The amendments to the claims are made for contextual purposes to add clarity to the claims.

IN RESPONSE TO THE ELECTION REQUIREMENT

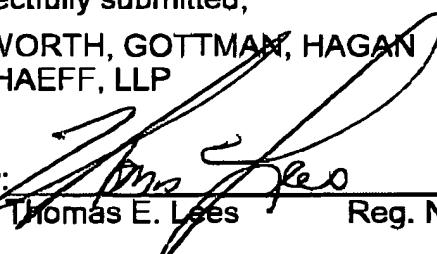

Applicant hereby elects, WITHOUT TRAVERSE, the invention identified by the Examiner as Species C for initial prosecution. Applicant believes that claims 1-12 and claims 21-22 as amended herein, as well as newly added claims 26-33 read on species C and awaits an action on the merits on these elected claims.

Applicant respectfully submits that claims 1-12, 21-22 and 26-33 represent allowable subject matter. The Examiner is encouraged to contact the undersigned to resolve efficiently any formal matters or to discuss any aspects of the application or of this response. Otherwise, early notification of allowable subject matter is respectfully solicited.

Respectfully submitted,

KILLWORTH, GOTTMAN, HAGAN
